Dear Friends:

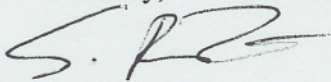

On behalf of Sick Kids Foundation, we want to express our appreciation for your generous gift of \$3,200.00 to the Dr. B. Gallie's Retinoblastoma Research-Cancer & Blood. We would like to personally thank you for your contribution and for participating in this fund raising initiative. Every dollar raised will help make a difference in the lives of sick or injured children.

Your donation will support the world-renowned research being done at the Hospital. This research results in improved diagnoses and treatment that can benefit children all over the world.

If you would like to receive additional information on the Hospital or the Foundation, please contact our office.

Thank you once again for your support.

Sincerely,

for / Eva Avramis
