Dear E. Dixon-Williams:

You are an integral member of the SickKids Foundation family and the Community Involvement team, and I would like to thank you for your generous contributions and fundraising initiatives throughout our last fiscal year.

Proceeds from the Avery's Journey - Event have been invested in to ensuring that SickKids remains a leader in paediatric health care. What you are making possible is state-of-the-art research labs appropriate for our world-renowned scientists. You are making it possible for our doctors and nurses to use the latest technology and the best equipment. You are providing the resources so that the best in the world are inspired to practice at SickKids, and equally important, you are providing the tools that enable them to mentor the next generation of clinical and research leaders.

The enclosed letter from our President, Michael O'Mahoney and 2006-07 Annual Report provides an insight into the activities of the Foundation over the past fiscal year. It is through the continuous support of friends like you that allows SickKids the opportunity to maintain its status as an exemplary centre in quality paediatric care.

On behalf of SickKids Foundation, thank you for your commitment to helping us realize our vision of Healthier Children. A Better World.

Sincerely,

Penny Kroll
